

FOODSERVICE & HOSPITALITY CLEANING & SANITATION SOLUTIONS

★ A CLEAN, COST EFFECTIVE OPERATION

As a foodservice professional, you are faced with the daily challenges of running a smooth and efficient operation, keeping food and employees safe and guests satisfied. You also need to ensure ongoing compliance to stringent health and safety regulations while managing tight budgets. Let us take care of your complete kitchen cleaning and sanitation needs so that you can focus on the important aspects of managing your operation and your staff. And we'll do it more cost effectively than the competition.

★ WAREWASH SOLUTIONS

Chemsyn offers clients a variety of customized commercial dishwashing solutions that guarantee the highest level of sanitation in both high and low-temperature machine environments guaranteeing the greatest total savings to your operation. Whether you are a full-service hotel, banquet and conference centre, restaurant, casino or golf course, Chemsyn has a variety of products to address all of your unique kitchen cleaning and sanitation needs. Our formulations help you achieve and maintain the highest level of food safety possible and give you the best results in the industry.

Our warewash solutions seamlessly integrate:

- The delivery of products necessary to maintain the highest level of sanitation in your kitchen;
- The technical service required to keep your machines in proper working order;
- The product training that allows your staff to contribute to a safe, effective and efficient working environment.

Both **Eclipse™** and **Sunrise™** – our Premium and Professional product lines, ensure superior residue-free, high shine results, reduced waste and prolong the lifespan of your tableware. Ask us about our full line of **Kosher** supervised and certified warewash products.

MACHINE LEASE-TO-OWN PROGRAM

As part of our service, we offer clients a wide selection of precision warewash systems, solutions and proportioning/dispensing units including a full Machine Lease-to-Own Program with a number of benefits including brand-name models – **American Dish Machines, Hobart, Moyer-Diebel** and **Blakeslee** – machine ownership, flexible terms (24-60 months) with credit approval and no-cost system maintenance giving you complete control of your warewash system. Our highly trained team of technicians will assess your needs, assist you in planning the most effective system setup and provide full consulting services. We can show you the benefits of ownership in terms of cost, control and worry-free service.

★ COMPLETE KITCHEN SANITATION SOLUTIONS

We know that your dish machine isn't the only thing you have to worry about when managing your operation. The cleanliness of your kitchen and the safety of food served to patrons and safety of the staff preparing it, is integral to running an efficient operation and ensuring the highest level of guest satisfaction. Chemsyn sanitation products do the work for you.

Our line of manual dish liquids, pot and pan cleaners, pre-soaks, degreasers, all-purpose cleaners and sanitizers and disinfectants, help you deliver the best cleaning results, cost effectively.

★ SERVICE & DELIVERY

Chemsyn prides itself in consistently meeting and exceeding the service benchmarks we have set in the industry with our **"On-Time, All the Time"** service for order fulfillment and delivery, maintenance and problem resolution.

Our highly qualified service professionals and technicians provide uninterrupted machine and system service **24 hours a day, 7 days a week, 365 days a year** to meet your needs with unmatched, same-day response time guarantees, regularly scheduled maintenance and inventory checks. Our mission is to provide unparalleled service quality to all of our clients – big and small. It is what sets us apart from the competition and consistently wins your business.
