

LAUNDRY & HOUSEKEEPING SOLUTIONS

CHEMSYN 
THE LEADER IN COMMERCIAL
WAREWASH AND LAUNDRY SOLUTIONS

★ A CLEAN, COST EFFECTIVE OPERATION

We know that running a highly efficient, safe laundry operation while meeting reduced product, water and energy waste mandates on a tight budget is no easy task. Chemsyn can help. We offer full service laundry programs that integrate our comprehensive line of proven, heavy-duty **Milkyway™** laundry products with product dispensing systems and controls, maintenance schedules, reporting and staff training programs.

Bring us on board to help you achieve all of your sanitation and budget objectives and never worry about laundry again.

★ LAUNDRY/TEXTILE CARE SOLUTIONS

We understand the complexities of running an efficient and cost effective laundry operation. Whether you are in charge of in-house laundry for a large chain of hotels or a boutique operation, a banquet or convention centre, a long term care facility with round the clock shifts, a casino, restaurant or even golf and country club where members demand the best, our Laundry specialists will work closely with you to assess your requirements and provide cost effective solutions.

Our goal is to help you increase the efficiency of your operation, reduce waste and energy, improve safety and generate proven, consistent results.

Once you come on board, Chemsyn will offer you concierge-style service from inventory tracking and management (should you request it) to ensure that your laundry facility always has sufficient stock to operate seamlessly, to 24-hour emergency product delivery, to hands-on training for staff whether you are switching from another supplier or setting up a brand new operation.

Our expertise is your competitive strength.

★ HOUSEKEEPING SANITATION PRODUCTS & SYSTEMS

Our comprehensive line of sanitation products also includes front and back of house solutions that are formulated to offer the best cleaning results for your entire facility. With its roots in janitorial services and staffing, Chemsyn is ideally qualified to assess the product and system needs of your facility and provide solutions to assist your staff in maintaining the highest standards of cleanliness at the lowest possible cost. Everything from cleaning and sanitation products to janitorial hardware is readily available for your one-stop shopping convenience.

★ SERVICE & DELIVERY

Chemsyn prides itself in consistently meeting and exceeding the service benchmarks we have set in the industry with our **"On-Time, All the Time"** service for order fulfillment and delivery, maintenance and problem resolution.

Our highly qualified service professionals and technicians provide uninterrupted machine and system service **24 hours a day, 7 days a week, 365 days a year** to meet your needs with unmatched, same-day response time guarantees, regularly scheduled maintenance and inventory checks. Our mission is to provide unparalleled service quality to all of our clients - big and small. It is what sets us apart from the competition and consistently wins your business.
